Lis Data Analytics Course

W14 - Dojo

Welcome to ML for Everyone!! 2 - The Application

Everyone can talk, The Best Show!

Last week you pitched your ideas to the client.

Now you have to demonstrate it's possible to do!

Please find the datasets and build the first prototype.

What are we actually doing?

Schedule:

13:30 - 13:40: launch

13:50 - 16:00: code, code, code

16:00 - 17:00: code review - show your work

Who's teaming up with whom?

Alma & Paulo	→	Market Segmentation with K-Mean	→	**Link**
José, Marina & Carlos	→	Client Life Value with KNN	→	**Link**
Cedric, Suhail & Alexandre	→	Recommendation System with NearestNeigh	→	**Link**
